

An isometric illustration of a cityscape with various buildings in shades of blue and green. Some buildings have unique features: a tall one with a Wi-Fi symbol on top, another with a padlock icon, one with a dollar sign, and others with helipads or antennas. A small helicopter is flying in the center. The background is white.

Shaping the Foundations of IoT

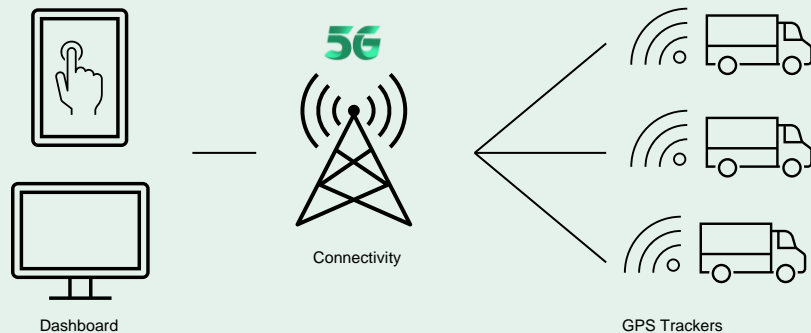

Building the Vision, Technology, and
Applications Toward a Connected Future

Precision Agriculture using Sensor Data

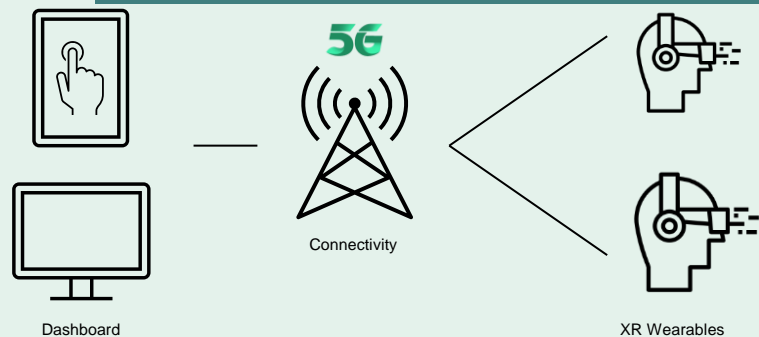

Logistics Management using Vehicle Telematics Data

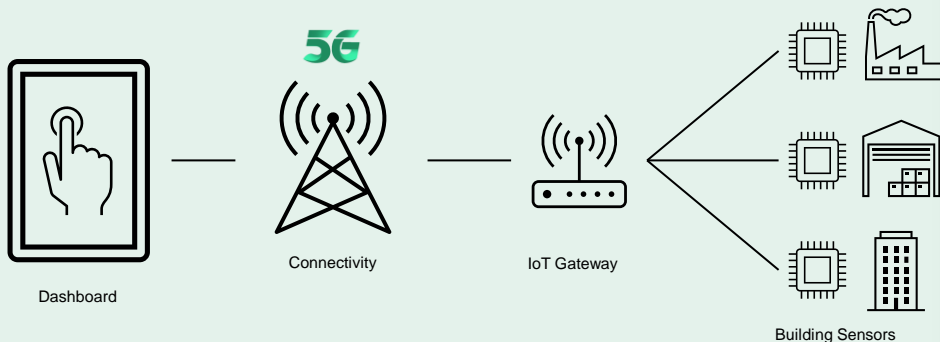

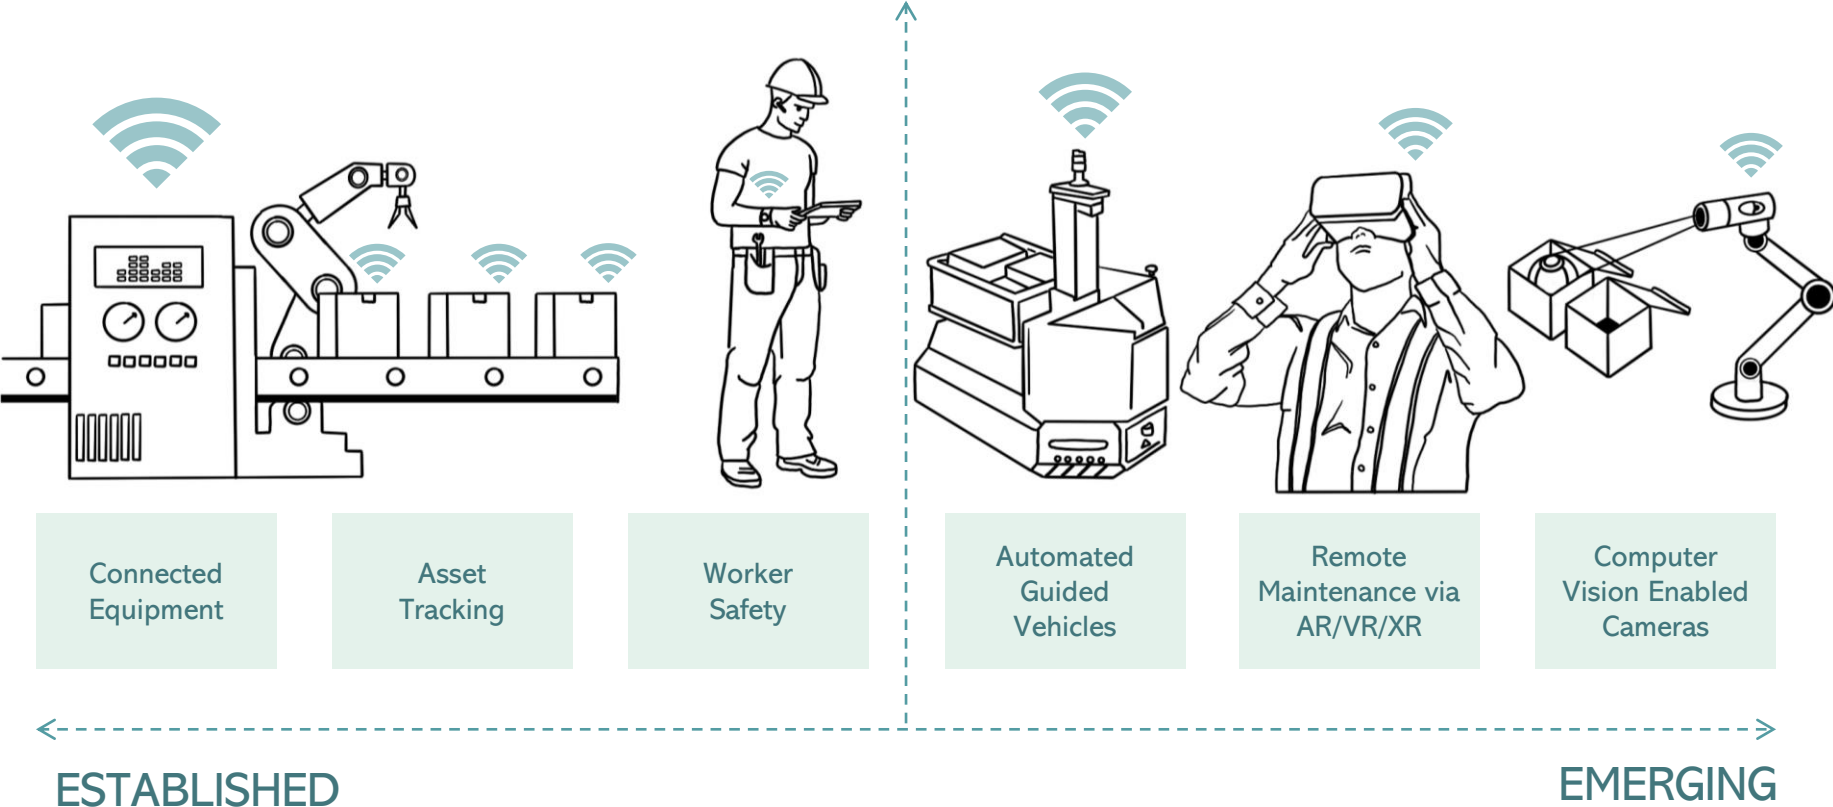

Collaboration & Entertainment using Extended Reality

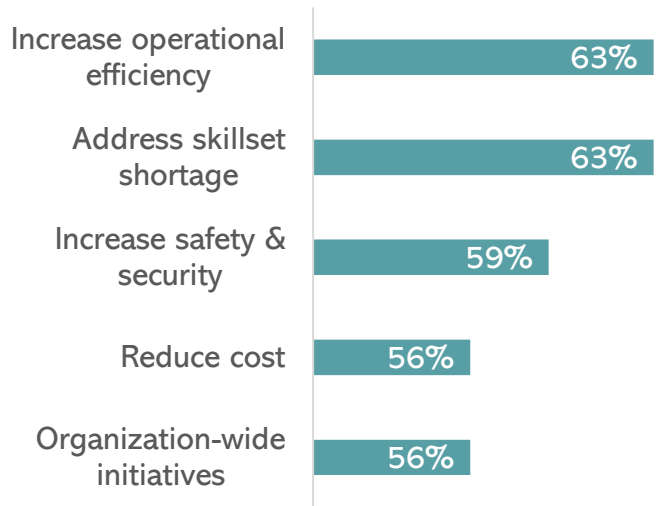

Integrated Supply Chain using Facilities Management Devices

IoT / 5G Use Cases for Manufacturing

Top Drivers To Consider IoT Solutions

■ ASEAN Manufacturing Companies (n=27)

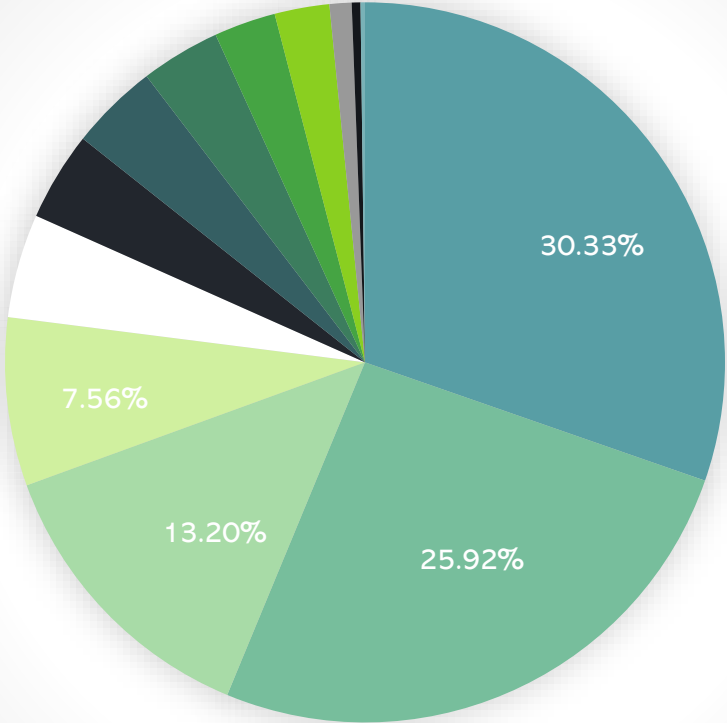

IoT Market Projection

Total PH Projection Valuation
by 2025 is \$ 4.75B at 6.13%
CAGR (2021-2025)

Top 4 Industries

- Energy & Utilities
- Government
- Transport and Logistics
- Manufacturing

- Energy and Utilities
